Licensed to Wed.

Clerk Hook yesterday issued marriage licenses to the following named parties:

John M. Fordyce, aged 22, and Daisy A. Dobbs, aged 19, both of Wheeling.
William E. Rimmel, aged 28, and Alice Durkenbrod, aged 20, both natives of Stark county, Ohio, and residents of Wheeling.

A Receiver Appointed.

Yesterday Judge Paul, of the circuit court, made an order appointing Henry A. Jones receiver of the business of Berger & Dorsey, the hatters, and restraining John G. Berger from interfering with the business. The action was taken on complaint of Orla H. Dorsey. The receiver is to give bond in the sum of \$3,500 before assuming charge.

A Dry Hole Leaking.

Information was given the INTELLIGENCER last evening about the sudden flow of oil from a well on the Rogerson farm, on Little Grave creek, which was plugged up seven years ago as a dry hole and was virtually abandoned. A farmer passing the place saw the oil escaping and running down into the creek, and the informant says that "a sample of it proves to be of a very fine quality."

Pittsburghers will Come.

The indications are that the coming annual meet and races of the West Virginia division of the League of American Wheelmen will be a thorough success. Considerable interest in the tri-state radius has been aroused, and all the surrounding towns and cities will send delegations of riders and racing men. Mr. A. J. Darragh, of the Allegheny Cyclers, tells the local boys that he will bring down several racing men and a large delegation of wheelmen.

To Cleanse the System.

Effectually yet gently, when constive or bilious or when the blood is impure or sluggish, to permanently cure habitual constipation, to awaken the kidneys and liver to a healthy activity, without irritating or weakening them, to dispel headaches, colds or fevers use Syrup of Figs.

The Bioberson Cafe.

Upon the ruins of Mr. Henry Bioberson's house, No. 1429 South street, which was destroyed by fire in January, there has arisen an elegant new establishment, which would be a credit to any city many times larger than Wheeling, and which has been christened the Bioberson Cafe, where can be found the finest stock beer, liquors of all kinds and cigars. The bar has been magnificently fitted up, and the most courteous treatment is assured to all patrons. The restaurant in connection with the Cafe is a model of its kind. Mr. Bioberson's reputation as a caterer, was established some time ago, and is hardly necessary to state that he will maintain it, and that meals will be served with the same care and attention. The thirsty and the hungry could not patronize a more satisfactory establishment. Remember the place—Bioberson's Cafe, No. 1429 South street, near the Baltimore & Ohio railroad depot.

Are you fond of good Rye Bread? They are using a new process at the Wheeling Bakery that meets with most wonderful success. Have you tried it? Sold by all grocers.

Assignee's Sale of Wall Paper and Moulding at cost. No. 2185 Main street. V. W. BERRY, Assignee.

DO not forget the fact that the place to have your Watch, Clock and Jewelry repaired is at W. B. ODDERT'S, South end Market Street Bridge.

Old things made new again, and this time it is the Wheeling Bakery's Corn Meal Bread. This is the purest, cheapest and best food on earth. Have you tried it?

Broom is strictly non-poisonous, but kills roaches and bed bugs the instant they come near it.

THE HUB CLOTHIERS.

SAY!

If anybody needs anything to bridge them over until Fall our store is the place to come. Our prices will put you in the buying humor. 'Tisn't a matter of money with us now. We've reckoned up and find we've sold more than we ever did in a season before. Our ambition is to get out every vestage of Summer Stock. To that end we've cut and slashed mercilessly. \$1 48.

When you can buy any of our \$6 00, \$5 50 and \$5 00 Summer Pants at

\$3 98.

When nearly the whole Children's Suit Department is upside down. When our entire stock of Light Suits are cut nearly in half. When all our Neckwear, Waists, Underwear and all sorts of Seasonable Wear are so close cropped.

THIS CERTAINLY IS A RIPE BUYING TIME.

LEGS—HOUSE AND HERRMANN.

Legs!

When a stork goes to sleep it tucks up one leg under its wing, right or left, it don't matter which, they both tuck up the same.

Our Bed Lounge legs tuck up that way and when the Lounge is closed you could never tell it was a Bed Lounge. This is something new in Bed Lounges.

We have them upholstered in Plush, Moquette and Carpet, from ten dollars up.
